OFFICE NOTE.

Subject.
Repairs to the Sri Prasanna Venkata-ramana swami temple at Venkatiahana Chattram, Chamarajanagar Taluk.

LAST REFERENCE:—

Letter No. 150 dated 29th December 1903 from the Deputy Commissioner, Mysore District.

20.12.94 One Sosale Ranganchar of the Venkatiahana chattram Agrahar addressed a petition to the Muzrai Secretary stating that the temple (which had been inspected by the Muzrai Secretary also) stood in very urgent need of repairs and it (petition) was sent to the District Muzrai officer with a request that an estimate for its (temple's) repairs might be sent. The Amildar, Chamarajanagar Taluk submitted 30.9.98. an Estimate amounting to Rs 2375-8-0 (after a delay of nearly four years) and stated that Contributions to the extent of Rs 203 had been promised

had been received and deposited in the Govt
Saving Bank and that there was no
probability of getting the balance of Rs 46/-
The Muk Secretary replied that the 11.8.00
question of giving any help from Govt
would be considered after the promised
Contributions are received in full.
Rs 10 having been recovered subsequently,
the Auildar reported that there was 6.5.03
no probability of getting anything
more from the Agraharikas who are
all very poor.

When the Deputy Secretary, Muk Rai
Department inspected the temple in April 11.7.03
1903, he found it in a very dilapidated
Condition and directed the Auildar to
submit an Estimate for repairing
the temple. The Dy Com'r was informed of this & was also requested to
make provision also therein
for removing the Ammanavara Vigrahas
and consecrating the same in the temple
Shrine to intimate the funds if any
at the credit of the temple or to point
out the source from which the cost
of repairs could be met.

18.8.03 The Amildar reported that Rs 167 had been deposited in the Govt Savings Bank, which, together with interest, amounted to Rs 170-10-6 and there was no other savings at the credit of the temple as the Jasdik was very small and hence no savings could be effected to meet the cost of repairs.

29.12.03 The Deputy Commissioner submits two Estimates amounting to Rs 2375-8-0 and Rs 100 respectively, the former for repairing the temple and the latter for consecrating the Amman and Vigraha in the inner shrine.

Subd with a draft.

Deputy Secretary's remarks:-

I personally visited this temple during my tour in April last, and found the temple in a very dilapidated condition. As the repair of the [illegible]

temple would involve very heavy expenditure I thought that arrangements should be made immediately for the thorough repair of the Garbhagudi and the Navaranga Mantapa only, providing windows for light and air, and requested the Amildar to submit estimates for so much alone the Annanavaru being now placed in a Mantap in the verandah or Chandrasala, which is all tumbling down, I thought it would be desirable to remove the stone idol from that place and consecrate it in a portion of the Navaranga, which would undergo thorough repair. Instead of restricting the estimate to the works named above, the Deputy Commissioner has sent

an old estimate in 1898, providing for the repairing the wood work including the whole of the Chandrasala and one Gopuram and walls etc, at a cost of Rs 2375-8-0. It is not possible to give such a large amount from the State Grant for this one temple alone. The Dy: Commissioner will therefore be asked to submit a fresh estimate for the absolutely necessary works named above, which can not cost more than four or five hundred Rupees.

The removal of the idol of the goddess from the present place to the Navaranga being a work of great urgency, may be ordered to be effected at once, the cost thereof, viz, Rs 100/- being met from the sum of Rs 170-10-6 contingencies

As directed, the Dy: Commissioner was requested to report on the above. He states that the Local Public Officers report that the work may be carried out without removing the idols from their present position but the cost of scaffolding and supports to be given would be great. What the cost would be has not been stated.

The Deputy Comr does not say anything about the estimated cost of scaffolding &c.

Extract from the Dy Secretary's Inspection notes of 9th May 1903.

The place known as Venkatayyana Chattram is a small village consisting of an Agrahar of Brahmins and a temple of Sreenivasa Devaru. It would appear that extensive inam lands were endowed to these by the old Rajahs, of which some of the Vrithies were assigned for the benefit of the temple. The Agrahardars mismanaged the properties and became reduced in circumstances, and all the lands, including those assigned to the temple, were resumed to Government for non payment of Government dues. The village is now in a desolate condition, an-

the temple very dilapidated. Immediate repairs to ~~the~~ main temple are urgently necessary and I have asked the Amildar to submit an estimate therefor, making provision for light and air. The Mantapams in the Prakaram cannot now be attended to, but the stone idol of the goddess, which is now in a very dangerous situation, may be removed into the inner shrine and consecrated there.

(Muzaroy Department)

To,

L.Anantha Swamy Rao Esquire,B.A.,

Secretary to the Government of Mysore,

Muzaroy Department,Bangalore.

Sir,

Adverting to Government order No.2507-8 dated 20th February 1904 sanction-ing an estimate for Rs.100/- for the removal of the Ammanavaru idol and the consecration thereof in the inner shrine of the Sri Sreenivasa Devaru temple at Venkatayyana Chattram in the Chamarajanagar Taluk, I have the honor to submit herewith for favor of orders the file of vernacular papers ending with yadi No 142/86 dated 14th July 1905 received from the Senior Assistant Commissioner,Nanjangud Division,and to state that the Amildar of the Chamarajanagar Taluk reports that Thulsi Sreenivasaiyengar and others state that the contribution amount invested in the Goverhment Savings Bank was intended for the ~~xxxxxxx~~ repairs of the temple and not for the removal and consecration of the Ammanavaroo idol and that they have executed a mutchalika (Vide Pharist No.47) to the effect that, if the contribution amount be returned to them,the stone work amounting to Rs.1080/- in the estimate prepared in 1898 would be completed within three months from the date of the return of the said amount.

2. As the stone work begun by the villagers has not been completed although nearly one year has elapsed, the Amildar is of opinion that it cannot be expected that the villagers will act up to the terms of the mutchalika,or,even if they did,the repairs would not be done substantially,if the contribution amount be returned to them. He therefore

suggests that Government may be pleased to sanction the Estimate for Rs.2375-8-0 prepared in 1898 ~~in~~ The charge being met out of the following items, Viz:-

208-0-0	In Government Pro-note.
198-2-1	From the contribution amount reported to be available at the credit of the temple in the Government Savings Bank.
35-9-1	From the funds of the institution.
1933-12-10	From the State grant.
2375-8-0	

3. The Divisional Officer approves of the Amildar's suggestion

4. Sreenivasa Iyengar's petition presented to this Office on 25th July 1905 praying that the temple should be repaired, and, if no one does it, he may be given the damages for compelling it himself, also accompanies.

Sir,

I am directed to acknowledge the receipt of your letter No 138 dated 4th September 1905, regarding the repairs to be executed to the Sri Venkatesa Perumal Temple at Venkatagiri Chattram in the Channagiri Taluk and to observe that the orders contained in the Govt Endt No 2507-8 dated 20th Aug 4th 16-94

February 1904 have not been attended to —

2. From the late Assistant Engineer Mr Guttmann's report it is observed that some of the works provided for in the old estimate prepared in 1898 for Rs 2375-8-4 were undertaken to be done by our Subsi Executive Engineer and that the other duties assigned to complete the above work to the extent of Rs 1080 and accordingly completed by Mr Ankenman out of

27. Who gave him permission to attend to the work while the matter

was under consideration
is well known. In the
first under repair and
to above it was observed
that what was most
urgently needed was
the thorough repair
of the Gatehouse and
the Passage Entry
having windows
and skylights for
light and air and
a fresh estimate therefor
was accordingly called
for. But no such
estimate has been
received now and the
the reasons for not-
submitting it are
not-

as given -

3. The Govt. under also directed the immediate removal and evacuation of the Ammunition Vignettes in the inner Fortress - Shrine at a cost of Rs. 1000, the charge being debited to the Contribution account- head by the donors. If the donors objected to the utilization of their Contribution amount- for the removal and Evacuation of the idol, the work could have been undertaken in pursuance of the Govt. orders and the

of His Highness the Maharaja of Mysore
Mysore Department Bangalore

Sir,

In reply to your letter No 2262 dated 13th November 1905 calling for further information regarding the repairs to be executed to the Sri Srinivasa Devaru temple at Venkatayyana chattram in the Chamarajnagar Taluk, I have the honor to state that Mr. N S Puttanna, the then Amildar of the Chamarajnagar Taluk gave permission to start the work (Vide his order dated 18-11-1903 Pharial No 25).

2 The present Amildar Mr. C. Krishna Rao has reported in his No $\frac{32}{346}$ dated 18-1-1906 that the works already sanctioned in 1904 would be executed and a completion Bill submitted therefor in due course adding that the devotees might be allowed to complete the stone work if they are willing to carry out the work according to the approved estimate.

3 A fresh estimate amounting to Rs 398/- for urgent and necessary repairs to the Garbha-gudi and Navaranga called for in para 4 of your letter under reply

reply is herewith submitted

4. The two petitions received with your docket-No 3499 dated 23.2 1906 are also herewith re-transmitted together with the entire file of vernacular papers ending with the Amildar's report No $\frac{32}{3416}$ dated 18.1.1906.

Government Ro: No 2507—8 dated 20th February 1907 Sanctioning an Estimate for Rs. 100/- for removing the Ammanavaru idol and consecrating it in the inner Shrine of the Sri Srinivasa devaru temple at Venkatana chattaru in the Chamaraja nagar Taluk.

Petition No 4383 D/27th March 1906 addressed to H.H the Maharaja, by one Srinivasachar of Venkatana Chattaru, ~~Chamaraja nagar Taluk~~, protesting against the removal of the Ammanavaru idol from its present position.

And,

Letter No 196 D/8th November 1906 from the Deputy Commissioner, Mysore District, reporting on the above.

Order

Order thereon in 2 — 3297-99 D 24

En 101 file ji

The Deputy Commissioner submitted for sanction two Estimates, one amounting to Rs. 100/- for removing the annamacharya idol and consecrating it in the inner shrine of the Sri Srinivasa Devarai temple and the other amounting to Rs 2375-8-0 for repairing the whole building ~~the above temple~~. The former Estimate for Rs 100/- was sanctioned in the Govt. Order referred to above with regard to and ~~for~~ the other Estimate, the Deputy Commissioner was informed that it was not possible to give such a large amount from the State Grant for this one temple alone ~~and~~ It was however requested to submit a revised ~~fresh~~ Estimate for urgent repairs needed to ~~the thorough repair of the roof~~ only the Garbha Gudi and the Navaranga Mantapa, ~~providing boundary stone Steps lights for light and door~~.

Removal of the Anjaneyaswamy Vigraha from its present position for which a sum of Rs 1000 was sanctioned he was requested to report on the petition of Srinivasa Iyengar and others, whether it was possible to repair the repairs without removing the idol. With reference to this point the Dy Comr

2. The Deputy Commissioner who was also requested to report on the petition of Srinivasa Iyengar and others of Venkatarama Chetty states that the Local Public Works Officers are of opinion that the repairs may be carried out without removing the idol from its present position but that the cost of scaffolding and supports would be great. As regards the repairs required he submits a revised Estimate for Rs. 398/- for urgent works required.

3. The revised Estimate for Rs 398/- for repairing the Garbhagudi and Navaranga Mantapa of the Sri Srinivasa Devasthanam at Venkatapuram

~~the~~ is sanctioned.

Charge being met from the sum of Rs 961-6-1 ~~available~~ found at the credit of the Institution by the Revenue Dept orders contained in the Govt Endo no 15659-61 dated 4th June 1906. LR 700-05-

4 As public opinion is very strong against removing the Annamalayan idol, the repairs should be carried out without such removal — The sum of Rs 100/- already sanctioned for removing the idol should be utilized towards the scaffolding &c without disturbing the position of the temple

5 As the work would require careful handling, the work should be carried out by ~~contracted~~ to the P. W. D

3/. The sanctioned estimates are enclosed for return when done with.

4/. The undersigned inspected the temple recently. The provision the estimates sanctioned is only for repairing the Ammanavaru Gudi portion. Other portions of the temple are also in need of repairs and ~~xxx~~ in places of reconstructing. The outer walls (Prakaram) are slanting, especially on the South and West sides. The undersigned learnt, however, that the devotees of the temple had undertaken to rebuild these walls and carry out other needful repairs. They have, however, done very little, so far and this little work was carried out years ago. Unless steps are taken early, these damaged portions will come down.
